## FOR IMMEDIATE RELEASE

CHARLESTON, IL--The names of 684 Eastern Illinois University students are on the Dean's Lists for the spring semester, it has been announced. The Deans' Lists replace the honors and high honors rolls previously used to recognize academic achievement.

These lists were determined by grade point average (3.50-3.74 for honors and 3.75 and 4.0 for high honors). Under the new system, the top 10 percent of students in their schools or colleges are included on the Deans' Lists. There is also a category of undeclared majors and the Board of Governors' Bachelor of Arts degree program with the same rule applying. The grade point averages for the top 10 percent varies among the schools and colleges.

NOTE TO EDITORS: Below is a printout of students on the list from your area of the state.
